3BBR Membership

Whether you are an individual, a family, a business or community organisation, you can be a simple financial *Supporter* of 3BBR without applying for Membership. We certainly prefer that our supporters become full Members to get more involved in what happens at 3BBR. Community Organisations should apply to become a *Community Partner* (known in our Rules of Association as *Corporate Membership*).

Please note that Membership requires Board approval, and is mandatory for Presenters and Board Members at 3BBR (and yes, there is one *Community Partner* / Corporate Member position available on the Board). Basic financial Supporters do not need to complete the Application form, but have the same rights as Associate Members as defined in our Rules of Association.

You can always convert from *Supporter* to *Member* at a later time by submitting the Membership Application Form above. The expiry date of your current Support or Membership will not change, but your status will, and we will welcome your involvement in West Gippsland Community Radio.
